Here is what prior attendees have to say...

"The 2010 coaches' clinic with Klaus Pabst, which was presented by Success in Soccer, was fantastic! Our coaches received a world-class seminar from Klaus. His ability to illustrate age-specific training in a practical session is first rate. I had the opportunity to observe Klaus training in Cologne, Germany in 2008. I was so impressed by my experience in Germany that I wanted to share that experience with our coaches and community. I greatly appreciate Success in Soccer for organizing that fantastic event!!!"

- Mauricio Menjivar, Director of Coaching, Impact United S.C., Salt Lake City, UT

"As a youth soccer coach who is always looking for ways to improve, I feel quite fortunate to have had the opportunity to get a behind-the-scenes look at how a club (FC Cologne) in the German Bundesliga organizes and implements its youth soccer program. In addition, Klaus Pabst's on-field demonstrations of coordination, technical, and tactical training showed all of the hallmarks of expert coaching. For instance, he worked equally well with girls or boys and with youth of all ages. In addition, our players were working hard, having fun, actively engaged in learning, and most importantly, raising their level of play over the course of each training segment that Klaus directed. Many thanks to Klaus and to Success in Soccer for bringing world-class coaching to our own backyards."
