## **DAVE McDOWELL – HEAD COACH (WOMEN'S SOCCER)**

Dave McDowell is entering his 27th season as head coach of the Queen's Gaels women's soccer team. A two-time CIS Coach of the Year and the 2012 winner of the OUA Fox40 Coach of the Year award, McDowell has guided the Gaels to three national championships, in 1988, 2010 and 2011, as well as four provincial crowns, in 1988, 2001, 2002 and 2011.

Under his guidance, Queen's has posted a combined record of 270-75-74, including OUA and CIS playoffs, for an impressive 0.736 winning percentage. During his tenure, the Gaels have posted 10 or more wins in the regular season six times, including a team record 14 during the 2010 season.

A coach who blends both solid offensive and defensive tactics, the Gaels have allowed only 10 or more goals three times during the regular season in his 23 years at the helm. Offensively, McDowell's squads are consistently among the league leaders in the nation, highlighted by a team-record 55 goals in 2012.

McDowell has been recognized as the OUA Coach of the Year seven times during his career at Queen's, winning 17 provincial medals (3 gold, 9 silver, 5 bronze) and 5 national medals (3 gold, 2 silver, 1 bronze).

## **CHRIS GENCARELLI – HEAD COACH (MEN'S SOCCER)**

Gencarelli is entering his sixth season as head coach of the Queen's men's soccer team and is coming off a program record 11 win season while being named the OUA East Coach of the year. A certified Pre-B coach and a Provincial B License candidate, he has spent over 11 years coaching at all levels of the game. His experience with players of all ages over the years has established him as one of the youngest premier educators of soccer players in Ontario.

At the club level, Gencarelli began his coaching career with the Kingston United Soccer Club, coaching U15 boys. During his three-year tenure with the team, he led the boys to three straight League Championships, one Ajax Invitational Tournament Championship, and an Ontario Cup quarterfinal finish.

In 2006, Gencarelli acted as a playing-assistant with Queen's after suffering a season-ending knee injury that ended his year prematurely. In 2007, he was brought on as the Head Coach on an interim basis and led the team to a bronze medal finish at the OUA Championships, capturing the team's first medal in five years. During that time, he produced four OUA All-Stars and one All-Canadian athlete.
